

Arizona Department of Weights and Measures – Metrology Laboratory

Bio-Hazards Cleanliness Certification

Due to the increasing incidences of bio-hazardous infections the Arizona Metrology Laboratory is requesting that the form below be completed and signed by a responsible individual for each and every submission of mass standards (either directly or indirectly) by the pharmaceutical, bio-medical and/or chemical laboratory.

Owner of Mass Standards: _____

Manufacture and Serial Number of Standards: _____

Name and Address of facility where mass standards are used: _____

Phone No.: _____ Fax No.: _____

Type of Business: _____

Are these mass standards in any way used in a pharmaceutical, bio-medical, or chemical environment?
☐ Yes ☐ No

If yes, are these mass standards directly or indirectly exposed to materials that could in any way be considered hazardous to human being? ☐ Yes ☐ No

If yes, have decontamination procedures been performed on these mass standards? ☐ Yes ☐ No

I certify that all mass standards sent to the Arizona Metrology Laboratory, as part of this shipment are free of all bio-hazardous and/or chemical contamination.

Signature: _____ Print Name: _____

Title: _____ Date: _____

If you have a written policy and/or procedure to ensure cleanliness of materials leaving your facility, please provide us with a copy.
